

# The Soft Commodities Forum (SCF)

The Soft Commodities Forum (SCF) is a global platform for leading agribusinesses, convened by the World Business Council for Sustainable Development (WBCSD) for the **purpose of advancing collective action around common sustainability challenges.**

SCF members share the ambition to promote **sustainable soy supply chain, from farm to fork.** Starting from **eliminating soy driven conversion of native vegetation in the Brazilian Cerrado.**

# Our Disclosure Journey

In February 2019, the SCF has committed to report on progress every 6 months, in a process of disclosure based on continuous improvement

**In December 2020, we have published our latest progress report:**

- We achieved our traceability targets for direct sourcing in the SCF priority municipalities
- We committed to set and achieve traceability target for our indirect sourcing
- We provided progress on engaging over 120 producers through landscape pilots and partnerships
- We committed to develop a common methodology to monitor and report on deforestation free soy in the Cerrado
- We re-affirmed commitment to engage across the value chain to co-develop and test solutions
